HB 2998 Transfer Workgroup

The next meeting of the full HB 2998 Transfer Workgroup is scheduled for Tuesday, June 19, 2018 in the Public Service Building conference room in Salem. Dr. Elizabeth Cox Brand is the OCCA representative on the full workgroup and on the Policy sub-group; Dr. David Plotkin, VP of Instruction for Clackamas Community

College, is also on the full workgroup and is representing community colleges on the Curriculum sub-group.

The full workgroup met on May 14th and continued to discuss issues related to maintenance and oversight of the Foundational Curricula (FC) and Unified Statewide Transfer Agreements (USTA), specifically the Governance Subgroup proposal for oversight and maintenance of the FC and USTAs. The proposal included recommendation for registrars to agree on a transcript notation for completion of the FC and the roles of HECC, institutions, and a modified Joint Transfer Articulation Committee (JTAC) in maintenance and oversight of the FCs and USTAs. Also discussed was the HECC contract with a marketing firm to develop a branding of the FCs and USTAs by June 30, 2018. A sub group of the full workgroup is providing feedback with brand proposals.

HECC has created a dedicated webpage for the work surround HB 2998:

“Engaging Boards in Transformational Change” Trustee Summer Workshop

As founder and executive director of the Aspen Institute’s higher education programs, Josh Wyner has spent the past seven years researching the qualities of excellent community colleges and the leadership that enabled Aspen Prize-winning colleges to achieve high and rapidly improving levels of

student success. On June 25, Josh will join us for a full day of workshops focused on three topics: building urgency for institution-wide reform, examining the role of the board in supporting internal transformational change, and addressing inequities in student success reform. Trustees and college presidents are invited to attend these sessions, which will include opportunities to examine community, college, and state-level data, discuss leadership issues in small groups, and plan for actionable next steps at their colleges.

The workshop will take place at the Oregon Garden Resort (<http://www.oregongardenresort.com/>) from 9:00am-4:00pm on Monday, June 25th. To register for the workshop, click : <https://www.surveymonkey.com/r/TrusteeWorkshop>
