

# Oregon Rural Community College Consortium

Supported by the Oregon Student Success Center, the Oregon Rural Community Consortium started in 2012 as a pilot consortium model for Achieving the Dream. Originally composed of 8 rural Community Colleges, the group expanded and pivoted to a sustained focus on student success in rural colleges. Participating members include: Blue Mountain, Clatsop, Columbia Gorge, Klamath, Oregon Coast, Rogue, Southwestern, Tillamook Bay, Treasure Valley, and Umpqua. Past projects include: annual Summer Institutes, best practices of equitable and inclusive campuses, and inclusion and diversity. Current work is organized around [Oregon HB 2864](#).

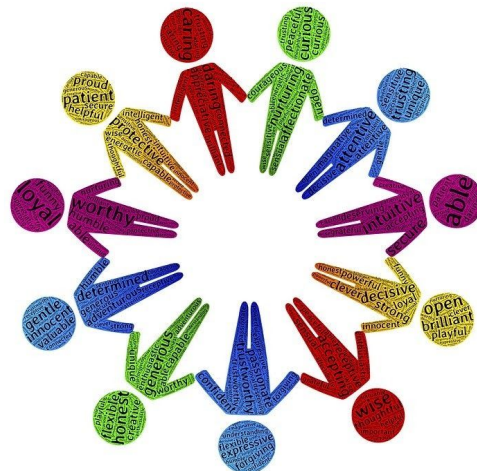

2,106-13,717

Total Student enrollment  
ranges of consortium  
schools.

identify as students of color

## Key HB 2864 accomplishments:

- Framework for Cultural Competency committees
- Reporting template
- Recommendations related to competencies for instructors
- Draft campus climate survey
- Centralized resource hub for training and materials

*The Oregon Rural Community College Consortium is supported by the Oregon Student Success Center with generous support from The Ford Family Foundation and The Oregon Community Foundation.*
