1	Great job overall with the conference	11/17/2022 12:25 PM
2	Outstanding conference!	11/16/2022 1:24 PM
3	Our Keynote speakers were very good, but what was missing is the focus on enrolling and keeping our students of color and first-generation students. May I recommend a local leader who is also teaching at Warner Pacific College in Portland? His name is Dr. Koffi Dessou and here is a link to his profile: https://www.linkedin.com/in/dr-koffi-dessou-a93b0b17/	11/16/2022 11:28 AM
4	Sunriver is a great venue, but not in the fall when it is cold outside. The food was not the greatest especially at the Howard Cherry dinner, I was disappointed in the quality of steak.	11/14/2022 7:59 AM
5	Please schedule weekend conferences. Our board members with Mon-Fri jobs and school age kids cannot take 3 days off work.	11/13/2022 7:56 PM
6	Landmark #2 is not a good meeting room, as entry requires going through Landmark #1 or entering from outside the building. suggest using the Fireside Room instead.	11/10/2022 3:59 PM
7	Not impressed with the meals and the GF options. It was better than in April 22 but still the Wednesday meal had no protein options that were GF, only the lettuce salad was GF. Luckily, I learned that I need to bring my own food but this is not acceptable since my registration includes food.	11/10/2022 3:22 PM
8	As a guest I felt that the \$250 price to eat with my spouse was excessive, but at least the food and service was pretty good. Non-alcoholic beverages would have been a nice addition, since we do not drink alcohol.	11/10/2022 2:07 PM
9	A long way to go and weather hasn't been the easiest to travel in (snow over pass).	11/10/2022 2:07 PM

10	PLEASE, do not have the confidence at Sunriver when ever there is a risk of snow snd cold weather. You are putting our lives at risk.	11/4/2022 3:38 PM
11	It is a shame our board members who are not retired and jmhave school age children cannot be here as it is during the work week.	11/4/2022 12:20 PM
12	Wish it was longer into the weekend,	11/4/2022 11:24 AM

Q6 Is there anything else you'd like to share about your experience at the Fall 2022 OCCA Annual Conference?

Answered: 20 Skipped: 16

#	RESPONSES	DATE
1	I'm looking forward to next year's conference :)	11/17/2022 1:32 PM
2	Worked out very well. Hopefully we can find a venue over by coast for the next one.	11/17/2022 12:25 PM
3	It was very hard to hear in the main room when people weren't using the microphone properly.	11/16/2022 6:53 PM
4	OCCA staff were outstanding in support of the conference attendees.	11/16/2022 4:47 PM
5	I would like to see video of Keynote speakers made available for broader reach to those who couldn't attend and for refreshing inspiration	11/16/2022 1:24 PM
6	Local leaders who are making a difference at their colleges in a time that is changing swiftly.	11/16/2022 11:28 AM
7	SO many administrators/presidents but relatively few board members.	11/13/2022 7:56 PM
8	I'd suggest a formatting change on the name tags for next year. The name of the school should be a different color/different size than the person's name. It'll decrease awkwardness in reading name tags	11/12/2022 8:08 PM
9	Overall a great event. However, the Howard Cherry Awards were too long. With the social hour, the long dinner, and then the awards it made for too long of an evening. Although it was a great recognition event I started to lose interest because that evening was too long.	11/10/2022 2:54 PM
10	It was great! Maybe be a tad more flexible with ending times to allow for Q&A	11/10/2022 2:09 PM
11	Significantly too much self-aggrandizing.	11/10/2022 2:07 PM
12	The Superintendent Panel: Panelists share information about the equity work that was going on in connection with their respective areas of accountability. I found myself thinking "Where are the representatives of the programs? Why are we listening to these three people speak about these topics? Why didnt any of them think to bring a community/programs leader to the conference so they could speak for themselves and have the panelist amplify the message?" Overall I felt the conference was a much better than the conference held in Spring 2022. Keep moving forward.	11/10/2022 1:58 PM
13	It was a well run, thoughtful, gathering of folks who were so happy to see and meet each other. I learned a lot. I met a lot of people from across the state.	11/9/2022 12:17 PM
14	Weather and Sunriver!!!!!!	11/4/2022 3:38 PM
15	It seemed a little short of DEI workshops, as well as board members attending.	11/4/2022 12:20 PM
16	Overall great experience thank you	11/4/2022 11:24 AM
17	It was excellent and I'm looking guests to next year!	11/4/2022 11:20 AM
18	Enjoyed it. Was my first time. Will be back	11/4/2022 11:20 AM
19	Great time!	11/4/2022 11:20 AM
20	Coffee really should be available for every break. It's absence was lamented.	11/4/2022 11:12 AM

2	There were only 5-6 attendees, largely because it was in Landmark #2. People either couldn't find it, or access was too difficult.	11/10/2022 4:04 PM
