BREAKOUT SESSION TRACKS

Explore four tracks that group breakout sessions around the priorities shaping community colleges. Find fresh perspectives, practical approaches, and conversations that connect your role to the broader work of our colleges and communities.

Community Colleges WORK for Board Leadership & Governance

Build effective boards through clear roles, strong board–president relationships, and sound decision-making. Explore ethics, public meetings law, and practices that strengthen board culture and engagement.

Community Colleges WORK for Oregon's Economy & Communities

Connect education and workforce needs through partnerships with schools, employers, and communities. Explore career pathways, apprenticeships, and regional strategies that strengthen Oregon's economy.

Community Colleges WORK for Student Success & Institutional Effectiveness

Improve retention, completion, and transfer through data-informed decisions and student-centered practices. Explore ways to close equity gaps, meet basic needs, and expand access.

Community Colleges WORK Through Advocacy & Investment

Advance policy and investment that support community colleges for the long term. Explore funding, infrastructure, and ways to communicate college impact while aligning resources with institutional priorities.
